

### **Registration Rules**

1. Registration does not guarantee admission.
2. All information and relevant documents provided must be true and accurate.
3. Any false information provided will render the registration/admission cancelled.
4. Applicants cannot be registered for 2 classes of the school for the same academic year.
5. Registration will be complete after the payment of registration fee; any unpaid registration will not be catered.
6. Paid registration will remain valid for one academic session only. In order to process admission for the next session the candidate will have to register again.

### **Admission Rules**

1. The academic session will commence in August and will end in July (It may vary as per the government's notification).
2. Admission can be ensured once the student successfully clears the written test and the interview is cleared by the student and parents. Admissions will be offered on merit, subject to the availability of seats.
3. The admission test paper will not be shown to anyone at any stage of the admission process or after.
4. The admission test/interview will not be rescheduled in case of absence.
